Notes

- **Most dams will be mowed twice; first mowing must be completed on all dams by Monday, May 15, 2023. Second mowing to be completed by Tuesday, August 1, 2023.**
- **Any debris present on upstream shoreline within mowing area needs to be gathered and removed.**
- **No mowing of the dams is to occur during wet conditions, as this creates surface slippage and possibly ruts. Any damage to the sod or slope toe needs to be fully repaired prior to job completion and payment by the District. Ground must be firm and dry when mowing.**
- **Landowner notification by winning bidder prior to entering any property is required each and every time.**
- **The District reserves the right to remove from the award any work or any mowing of any of the dams based on weather conditions and/or other conditions.**
