

Conservation Specialists Wanted

Culpeper Soil and Water Conservation District is currently accepting applications for full time employment from individuals with educational background in or job-related experience with natural resource management or with a strong agricultural background and/or extensive experience working with agriculture producers. A background in soils, natural resources or farmland management a plus. Knowledge of septic systems also a plus. Successful candidates will provide water quality conservation program planning and technical assistance to agriculture producers and other landowners and must have good interpersonal communication skills and strong computer skills. Benefits provided. To apply; send cover letter, current resume and signed application (found at culpeperswcd.org) to Greg Wichelns, District Manager, 351 Lakeside Drive, Culpeper, VA 22701 or send to gregw@culpeperswcd.org. For more information email gregw@culpeperswcd.org. No telephone calls. EOE.
