

Conference Description

This all day conference for owners of large or small tracts of land...

- is a virtual one stop/first stop for individuals, families, and managers to learn about woods, wildlife, and other natural resources.
- provides multiple links to information, sources of assistance and a broader community of landowners and professionals.
- will explore a myriad of forest issues relevant to woodland owners.

"I am always impressed by the dedication, knowledge and friendliness of all of the representatives that organize and participate at the sessions. The information is very helpful and timely."
