

Rain Barrels for Sale!

Conserve Water

A rain barrel collects and stores rainwater from your rooftop to use later for things like lawn and garden watering.

Lower Water Costs

Save water during peak summer months for use outdoors instead of paying a higher water bill or using your well and electricity.

About the Barrels

WHO: Anyone

WHERE: **351 Lakeside Drive, Culpeper (in the same complex as Full Circle Thrift)**

COST: **\$90 for one and \$175 for two** *includes sales tax, supplies & instructions (Suggested retail is \$140 each)
